Our Mission

Take a Break Warwickshire provides community-based short breaks for children and young adults who have a disability or life-threatening illness, and adults with a learning disability. This support enables people to live their lives to their full potential, gain skills and move towards independence with confidence.

Overview

Our groups and clubs provide safe and stimulating play sessions where children and young people are encouraged to choose their play activities, with the emphasis on fun and enjoyment with other children, on a closed access site.

The staff team are skilled and experienced in supporting people's individual needs whilst enabling them to be independent, develop their skills and make new friends.

Local community / Home based

Individual Support

Flexible, year-round service

Flexible hours

Individual Support sessions provide an opportunity to explore individual interests and develop independence outside of the group activities. These short activity-based sessions are planned in consultation with children & young people and their families. Short activity-based sessions can be home or community-based.

Saturdays

Playscheme

School holidays

5 hours

Age - 5-17 years

Our playschemes provide a longer day of adventure for children and young people to make friends outside of their usual friendship circle and enhance their social skills along the way.

Children are encouraged to choose play activities with the emphasis on fun and enjoyment. Each session is child-centered. This means play is personally directed by the children so they choose when, how and what they play with giving them a sense of ownership.

The activity sessions offer the chance to stay connected with friends and keep some structure to their holiday periods.

Who is the service for?

Within our groups, we cater for children with a wide range of disabilities. We may be able to cater for dietary requirements, and carry out personal care once full assessments have been completed.

Our site-based activities cater for children & young people between the age of 5-17 (up to their 18th birthday) and are registered with OFSTED under Child Care Register or Voluntary Register.

How do I access this service?

We work in partnership with parents/carers and professionals so that we can work together towards meeting planned outcomes for children and young people.

Families can access the service using their local authority allocated hours, using direct payments, a personal budget or by purchasing hours directly.

Contact our Care Coordinators to discuss your service and complete a formal Support Plan.

All costs will be discussed and detailed in your Service Contract.

All group-based and individual sessions must be booked in advance.
