Our Mission

Take-a-Break Warwickshire provides community-based short breaks for children and young adults who have a disability or life-threatening illness, and adults with a learning disability. This support enables people to live their lives to their full potential, gain skills and move towards independence with confidence.

Overview

We aim to provide a wide range of group based activities that focus on life skills, all within a safe, friendly and relaxed environment. Our Individual Support sessions provide an opportunity to explore individual interests and develop independence outside of the group activities.

Our customers are empowered to focus on their own goals and ambitions and are supported by a staff team who are skilled and experienced in helping them to achieve this through extensive training and ongoing staff development.

Group Services

Within our group activities, we offer a range of weekly evening and weekend groups and a separate holiday group activity programme. All sites are registered with OFSTED under the Child Care Register-Voluntary Register.

Who is the service for?

Within our activities, we cater for children and young people with a wide range of disabilities aged 0-18 years, living within Nuneaton & Bedworth.

How do I access this service?

We work in partnership with you, your family members and professionals so that we can work together towards meeting your planned outcomes. The service can be accessed using local authority allocated hours, using direct payments, a personal budget or by purchasing hours directly. All sessions must be booked in advance. Contact our Care Co-ordinators to discuss your service and complete a formal support contract. All costs will be discussed and detailed in your support contract.

Does TAB provide transport?

Transport for group activities will not be offered to new referrals as transport is not part of our main service delivery. We will continue to provide a limited transport service for our existing customers. All transport will be charged for separately, and detailed in the customer service contract.

Charging

Hours and funding arrangements will be formally agreed in a service contract. The service cost is currently £15.90 per hour for all services.

All sessions must be booked in advance.

Cancellation Costs

We require a minimum of 48 hours' notice to avoid any cancellation charge. If less than 48 hours' notice is given, then the full cost of the session will be chargeable.

Children are encouraged to choose play activities with the emphasis on fun and enjoyment. Each session is child-centred. This means play is personally directed by the children so they choose when, how and what they play with giving them a sense of ownership.

The activity sessions offer the chance to stay connected with friends and keep some structure to their holiday periods.

How to access our playschemes

Customers new to Take-a-Break will need a home visit from a Care Co-ordinator to complete the initial assessment and paperwork. On completion you will receive a support contract confirming your place.
